CANCELLATION POLICY

If cancellation is necessary, kindly give me a **minimum of three-hours** to change or cancel your appointments. This allows me the opportunity to schedule other clients that are in need of my service from my waiting list.

No-shows will be charged \$25 for the time reserved for you. Unfortunately with a no-show the session is wasted when another person in need could have been helped.

What you can expect from me:

If I need to cancel an appointment, I do so within 24 hours whenever possible. If an emergency arises and I cannot keep an appointment, I provide a \$20 off discount with a client's next session. For non-emergency cancellations of less than 24 hours, the next session is at no charge.
